

State Death Taxes

State death taxes have emerged as the primary concern for most individuals because it's not unusual for a state to assess taxes even where federal taxes are avoided. Furthermore, in light of the recent proposed changes at the federal level individuals should consider reviewing their estate plans.

The states listed in the chart below have death taxes.*

State	Death Tax Type	Top Tax	Amount Exempt from Tax
Connecticut	Estate	12%	\$12,920,000 (Increasing)**
Hawaii****	Modified Pick-up	20%	\$5,490,000
